IAAPA SHOW IN ORLANDO, FL - NOV 2025

The screenshot shows the E Cargo website's 'PROJECTS' section. It features a blue header with social media icons and a navigation menu. Below the 'PROJECTS' heading, there are three project cards. Each card consists of a photograph on the left and a title with a 'More' link on the right. The first card shows a white buffer tank inside a green container. The second card shows a large blue tarp being loaded onto a truck. The third card shows a dark interior space, likely a warehouse or exhibition hall.
